Commercial Sewer Rate / Residential Sewer Rate Proposed Ordinance

Clerk Hart explained that this ordinance establishes a commercial sewer rate, sets an annual rate increase for that commercial sewer rate, corrects the annual residential sewer rate increase, and states that vacant RV lots will not be charged a monthly sewer fee.

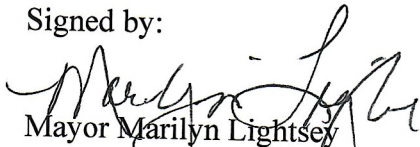

There was discussion on adding wording at the end of section 2 to state "as determined at a regular meeting by the Board of Trustees".

There was discussion on ordinance #127 that states that all properties with a sewer hookup must be charged the monthly sewer fee. Clerk Hart noted that that is a different issue that would need to be addressed with its own ordinance.

Adjournment Mayor Lightsey adjourned the meeting at 6:00pm.
